This is in response to the letter dated November 1, 2020. All of the listed donations were refunded in full, and are included in the totals on the October 15 quarterly report. The FECfile software did not itemize these refunds, but they were in fact made at the same time as those that were itemized by the software. We are attempting to refile the report to itemize all of the listed donations. We will refile once the FECfile software correctly itemizes all the refunds listed in your letter, because at this time FECfile is still failing to itemize the listed donations even though they are in the totals and were entered correctly into FECfile.
